Hi All, Regarding the proposal of moving Coalway Road in the Graiseley ward, Well, we are situated on part of Coalway Road which has been already made part of the Graiseley ward which I think is wrong. We brought our house on the basis it resided in Penn and paid the extra premium as a result and classifying it Graiseley would seriously devalue our houses and which could result in negative equity. Penn is literally on our doorstep and both my kids got to Woodfield School and this was the main reason we moved here, which is also residues in Penn so our affiliation is mostly towards Penn. A potential resolution to this matter could be to give the houses on boundary areas/wards to give them Mutli-Member status so they are affiliated to both.
