To Whom it may concern

Dear Sir

~~I was dismayed to hear only recently that the 'Boundary Change for Coalway Road is in process of Planning'?~~

I have resided in Coalway Road for 30 years and find the way that this decision has been made without any consultation, respect, or clarity for residents, TO MY MIND THIS ACTION IS TOTALLY UNACCEPTABLE.

The Residents in Coalway Road are aware that there is a distinct boundary between Penn and Pennfields and have No Affiliation or connection with Graislely.

Penn has an identity of its own regarding housing and local facilities, so does Merrythill, Tettenhall, Regis and Wightwick, yet these Wards remain unchanged?

All people in Coalway Road will be affected by these arbitrary changes and have had nothing in writing to explain this decision. People should be treated with curtesy and respect and not simply be a number on a piece of paper.

I would appreciate a speedy reply by return before any arbitrary decision is finally made and implemented.

Yours faithfully.
