I object to the proposal for Coton Road to come under Blakenhall Ward because 1. Penn Ward boundaries should be maintained as they currently are. Penn Ward has similarities with Merry Hill, Tettenhal Regis and Tettenhal Wightwick and these three wards are already recommended by LGBCE and local council to remain as they are. 2. The test around clear boundaries is definitely compromised as relinquishing birth sides of Coalway Road to Graiseley and taking both sides of Goldthorn Hill and Coton Road to Blakenhall leaves Penn Ward no strong, clearly-identifiable boundaries. 3. The other test around reflecting community identity, has been ignored. Penn Ward will lose its well lived and only Catholic Church in our community. St Michaels Church at the moment comes under the Penn Ward and a lot of Penn residents are proud of this local community church. 4. Average numbers of electors in a Ward per Councillor is 3,175 the proposal to maintain Penn Ward as it is will still leave Councillors within the range of 10% of the average of electors over the forecast period of 2026. 5. Penn Ward has some lovely shops like Fantastic and all the other shops around it on the corner of Coalway Road. These shops are well used by local people and these nice unique shops are part of the character of Penn Ward. This community shopping area fits in well with Penn Ward. Graiseley already has its own community shopping areas.
