I believe amending the boundary of the ward of the Akron gate estate to come under Oxley ward is a positive move for the residents. With the current alignment to the Bushbury ward, the demographic of the residents requirements are in conflict with the Bushbury / Low Hill areas, where predominantly the housing is low income, with a pre-established community, and an existing council strategy. The Akron gate development is still growing, with lots of new families, and people like myself, that have moved into the Wolverhampton borough. The current housing in the Oxley ward is more aligned to the Akron Gate community. The amendments to the ward boundaries, will enable the councillors in both wards, to better focus their attention on the residents needs.
