Subject: Boundary changes Penn Wolverhampton

As residents of Coalway Road we object to the proposed Boundary Changes.
Coalway Road has always been part of Penn and as a community we are not part of Graiseley.
We are proud of, and part of; Penn using its facilities- shops, churches and medical facilities for the last 35 years.

Is this just tinkering for political purposes as there is no benefit what so ever to the community in changing the boundries.

We trust that our feelings concerning this matter will make you reconsider the proposals.
