Good Morning

I live at [REDACTED] scent, Penn and we have been told that there is a plan in place to remove Waverley Crescent and surrounding streets off the Penn Ward and put us onto the Blakenhall Ward which we strongly object to.

I have also learned that there is a plan and to put Coalway Road onto the Graislely boundary ward. Coalway Road has always been a clear boundary between Penn and Graislely and Goldthorn Hill has always been part of Penn and gives a good boundary between Penn and Blakenhall.

All of us in our household believe that the Penn ward boundaries should remain as they currently are and not to be changed. Penn ward has similarities with Merry Hill, Tettenhall Regis and Tettenhall Whitwick and these three wards are already recommended by LGBCE and local council to remain as they are.

We would like to put forward that Goldthorn Hill remain on the Penn ward as it has always been and that Blakenhall and Graislely boundary wards remain as they are.

Yours Sincerely
