Comment text:

From the top of Blubell hill should be under Medway council control, Maidstone council has no real interest in the upper parts of Lordswood, Walderslade, Bredhurst, Boxley etc. Evidence for this is the state of the roads administered by Maidstone council. the roads are filthy and have been for years, Badger road in Lordswood is disgusting with leaves fully mulched 15cm deep, these poor residents get to pay Maidstones rate and get to use Medway hospital as is the nearest one available. Please move the boundary and give it to Medway. Thank you for your time.
