I am dismayed that MBC have again proposed a plan to destroy the vibrant Lenham community. I currently live in Platts Heath and consider myself to be as much a part of Lenham as those that live in Lenham Village. Transport links for Platts Heath are situated in Lenham how can a councillor for Headcorn be proactive in ensuring that the needs of constituents our area using Lenham facilities are kept in mind. I can't help but think that the new ward proposals will in some way aid MBC in pushing through the debacle plan of the Heathlands development in Lenham Heath. We don't want to be part of Headcorn we live in Lenham!!!
