Comment text:

I would strongly suggest that everything North of the M2 motorway, which would include parts of Lordswood, Walderslade and Lidsing be given to Medway Council. The M2 will and does make a clear boundary line between the the local authority boundaries of Maidstone and Medway. Currently parts of Lordswood, Walderslade Woods and Lidsing are under the control of three separate local councils which is ludicrous. You can cross the road in Lordswood and literally hop, skip and jump from one borough to another. Please give Medway Council control of Lidsing, the rest of Lordswood and Walderslade.
