

30th March 2022

The Local Government Boundary Commissioner for England
Review Officer LGBCE
PO Box 133
Bythe
NE24 9FE

Dear Sir,

Proposed Ward Bopundary Changes
Parkwood/Boughton Monchelsea

I am writing with regard to the ward boundary reviews taking place. I live in the parish and postal district of Boughton Monchelsea, and have done for the past 8 years. Yet my present ward is Parkwood.

Please will you consider altering the ward boundary so that both my parish, postal and ward boundary are all Boughton Monchelsea. It makes no sense to have the ward different from the postal land parish.

I use the Boughton Monchelsea Post Office/shop and to collect parcels from there.

I use the amenities afforded at the Hall in Church Street and take my grandchildren to the park there.

We often walk with our dog in and around the Church, enjoying the woods, bluebells and deer in the deer park.

We always hear what is going on in Boughton Monchelsea, including scam alerts and the like. During the covid pandemic we were included in the shopping help that was offered.

We always get invited to the Carols at Christmas.

We have not once heard from any of our councillors in Parkwood, and do not feel part of that community. I therefore support changing our ward boundary to match that of parish and post and thank you for your time in considering this.

Yours faithfully,
