I live in Lenham Heath and am strongly AGAINST the boundary being redrawn to move Lenham Heath to Headcorn ward. My doctors practice is the Len Valley Practice part of the Lenham Ward. I am represented well by my local KCC Councillor. have had multiple break-ins at my property and know the Community Support Officers for the ward, I have been superbly supported by my local borough councillors who know the area. I feel part of the Lenham Community. From Lenham Heath I can walk to the Lenham village, I visit the church there, support the Lenham shops and feel part of the Lenham Community. I have nothing to do with Headcorn, it does not feel part the Heaths DNA to be associated with a ward that seems as far away as Sparkbrook (a Birmingham Ward). Lenham Heath is part of Lenham and should remain in the Lenham and Harrietsham ward. Please keep Lenham Heath in a ward that is part of us, that we can walk to, that we know and we love.
