### Comment text:

The Chart Sutton/Boughton Monchelsea ward should stay as it is. We have a very good councillor who works hard for the ward and attends most if not all council meetings. . These two villages are close and to lump Chart Sutton together with the other Suttons would be detrimental. To cut the number of MBC councillors is a crazy idea. The borough is growing daily and the councillors will be too far stretched to be able to give a good service to everyone.
