

Slough Borough Council

Personal Details:

Name: [REDACTED]

E-mail: [REDACTED]

Postcode: [REDACTED]

Organisation Name: [REDACTED]

Comment text:

We currently have enough wards and councillors. These changes are being called for by a corrupt Council that want to extend their hold over the council. Our parish councils have been closed or restricted as to how they can amend any rulings the council decide upon. There are absolutely no other reasons why this move is being muted. What also needs to be considered is the fact that our Labour council is BANKRUPT because of its own incompetence.
