Western parishes sounds like nobody could be bothered putting any effort into naming this area. I see you have reduced Bowdon in size presumably to keep the millionaires happy once more. How many times are the people of partington going to be punished by ridiculous boundary changes like being evicted from Cheshire. Absolute disgrace. Trafford council should hang their heads in shame for the constant disregard and disrespect to the people of partington. We have to tolerate thousands of hours of delays on our journeys due to constant roadworks, a population that is doubling in size with no increase to infrastructure while you spend millions upgrading Altrincham. You are a disgrace.
