### Comment text:

Thank you for the opportunity to comment and make representation for changes to be made on the proposals for Trafford Boundaries. I note that the Village Ward is proposed to be renamed as Timperley Central , however I would respectfully propose that some changes be made to the proposed new Timperley Central ward layout specifically the following to incorporate these proposed changes into the new proposed Hale Barns and Timperley South ward. There appears to be a spur element to the south of the proposed Timperley Central ward comprising a farm field area, Alder Drive, Kendal Close, Bowness Road, Rotherdale Avenue, Birch Grove, Maple Avenue, Aspen Close , Fern View and Coniston Walk., All within the WA15 7.. postcode area that would in my view be better attached to the proposed new Hale Barns and Timperley South ward without adversely impacting the current or forecast electorate or overall number of councillors but would streamline the proposals, this is due to local school use and uptake in the area by the residents of the above named areas who send their children to schools in Hale Barns, eg St Ambrose College and School WA15 8SN, Hale, and South Timperley eg Altrincham College, WA15 8QW, use leisure facilities in South Timperley , Hale Barns eg Hale Spa and Country Club Clay Lane WA15 7AF , use Garden Centre facilities Dobbies Garden Centre Hale ,WA15 8QP, Local Church Facilities Christchurch WA15 7AN in the South Timperley /Hale Barns area , Local major hospitals using access infrastructure along Dobbinetts Lane WA15 7TU, local roads and infrastructure passing through Hale Barns, South Timperley, and Hale to get to Manchester International Airport and the main South Manchester motorways to Manchester City Centre and South Manchester and Cheshire ,where the majority of the residents within the the proposed changes I outline all work, use of local main shopping areas in Hale Barns and Hale etc by residents, I therefore feel that the links are stronger to the Hale Barns and South Timperley Proposed ward than to the current Village ward or proposed Timperley Central ward. I hope that you are able to take these changes on board as part of the consultation process and thank you again for the opportunity to comment, and please do not hesitate to contact me if you require further information or clarification on any of the comments I have made.
