Subject: Boundary Review - Brooklands Ward, Sale, Trafford

Categories: Submissions, [REDACTED]

Dear Madam/Sir

I am a resident of Brooklands Ward in Trafford and in relation to the review of ward boundaries I am pleased to see that there are no changes planned to the boundaries for Brooklands Ward.

The current Brooklands boundaries are clear and credible, with the A56 and Marsland Road in particular being obvious and understandable markers that match the community's definition of what would be considered Brooklands.

I trust that my comments will feed into your review.

Yours faithfully
