To whom it may concern,

It's come to my attention that you plan to change our ward so that we will lose Sale West and include Warburton and Dunham.

As a resident of Partington, I disagree with this proposal as I don't feel we have anything truly in common with the rural and farming communities, Dunham, particularly, we are very different communities, with little in common, except our isolation from the rest of Trafford.

As side from or indifferences, location alone makes no sense Dunham is more Altrincham than Partington/Carrington. It seems unusual in my opinion to band us together.

I trust you will consider our communities when making your decisions.

Kind regards
