Subject: Review of Trafford Timperley wards.

Categories: Submissions, [REDACTED]

I live on Heyes Lane in the current Timperley ward with the other side of the road is Village ward.

I fully support the proposals for the new Timperley North ward boundary that would use the railway track running through Timperley as a more sensible way of organising the ward boundary here. Avoiding the need to draw boundaries down the middle of roads like Heyes Lane.

Regards
