Subject: Change in ward

Categories: Submissions, [REDACTED]

I would just like to express my concern as a resident of Partington for 53 years. I have recently heard about the change in ward and losing the Sale West and including Dunham and Warburton. I think this is huge detriment to our area as we are already a very isolated town and including the above areas will definitely see us out on a limb.

We are a very different community and obviously have nothing in common with these rural communities. I do not want us to become even more isolated than we already are.

This definitely needs to be taken into account before any more plans or ideas are made.

There are huge plans to regenerate our town including affordable homes on a few sites that are already underway. I'm sure the new residents will be in agreement with this also.

Kind regards
