I feel we have 3 excellent Green Party councillors st present and I am concerned that if you mess around with the boundaries that we may jeopardise our access to such hard-working councillors for our community. I cannot work out what would happen next - would everyone be up for re-election and the councillors would have to chose which ward they wish to represent? It is very confusing. I need more information. I would prefer to keep things as they are with out clearer information and a good reason for change.
