Dear Sirs

I read with interest the proposals to amend ward boundaries within the Borough of Trafford. As a resident of the Hale area I am supportive of the minor changes to the boundary of the Hale Central Ward and the new name of Hale as there will be no impact on the make up of the community.

As a resident of the wider Altrincham area I do though question the proposal to move Warburton and Dunham out of the Bowden Ward and into Bucklow St Martins Ward.

As a volunteer with a local charity I have experience of doing work across the Borough of Trafford. Bucklow St Martin's is a very different ward to much of the remainder of Trafford, it represents one of the most deprived areas in the Borough. The inclusion of Warburton and Dunham within this ward would not be representative of the community that make up the area of the current ward. I would therefore reflect that this proposed change is not in the interest of the community as a whole.

Yours faithfully
