This review seems a little premature, bearing in mind the forthcoming development of the Timperley Wedge for housing over the next few years. I can't see any advantage in these changes and, to me, cutting Broomwood just doesn't seem to make any sense and is not good for the 'community' I feel. Nor does Timperley North border following the railway line across Shaftesbury Avenue! Suggests to me that the proposals may require a little more scrutiny, before any decisions are made. I would point out that today is Monday, February 2022. I have only just become aware of this review this evening.
