Dear Sir/madam,

I've just been looking at the local government boundary proposals for Stretford and Urmston, in Trafford, Greater Manchester. I live in the eastern part of Urmston that used to be in Park Ward, (a Stretford Ward) and look forward to returning to a Stretford Ward.

The building of the M60 Motorway has created a natural boundary between Stretford and Urmston. I'm sure a lot of people in my area prefer to visit the Shopping centre in Stretford, including Tesco in Old Trafford.

I notice that Stretford Cricket Club will be returning to Stretford too.  
That side of Stretford Road used to be in the old Stretford Ward.

I support your proposal.

Yours sincerely [REDACTED]
