Subject: Proposed boundary changes for Bucklow-St Martins Ward

Categories: Submissions, [REDACTED]

Dear Sir/Madam,

I am writing to express my strong objection to the proposed changes to the boundaries of the above ward, with the suggested creation of a new "Western Parishes" ward.

As a life-long resident of Partington, I feel that the suggested new ward would fail to reflect our local community, and would lead to members of the Partington community feeling alienated and poorly represented.

The Dunham and Warburton communities are a world apart from our own. I feel nothing in common with residents living in those communities, especially with Dunham, who are largely from a very different socio-economic background and have very different views and concerns from my own and those of the wider Partington community.

To my mind, the new grouping would very badly impact the sense of identity and community we have become used to in the current ward as it is, and I urge you to please reconsider the changes.

Sincerely,
