Subject: Trafford Consultation - Davyhulme and Flixton

Categories: Submissions, [REDACTED]

Dear Commissioners

I live on Norreys Avenue, in what's currently Davyhulme West. It makes a lot of sense for both sides of Moorside Road nearing Woodsend Circle to be in the same ward. The area around the Woodsend Circle roundabout and the shops there are the nucleus of that part of the community; Woodsend Library and Medical Centre also act as a hub bringing people from the local area into Woodsend Circle.

I support the proposals to redraw the boundaries around Davyhulme and Flixton.

Please do let me know if you require any further information.
