### Comment text:

I am appalled that the Broomwood Estate is to be cut in half. Both halves lumped with 2 wealthy areas. There is great social need on this estate and needs financial help which would be lost split between these richer boroughs. It has a great community spirit and is well known for pulling together. It needs to retain its identity. I am a trustee for G-force a charity that works full time with the local people and we run a community cafe on the estate. We see first hand the deprivation in some families
