> Dear Commission,
>
> I am writing as a resident of the current Gorse Hill Ward set to remain in this ward on your proposed changes. I am very supportive of the plans you have put forward as I think that Lostock and Gorse Hill are very different communities with many people in Lostock shopping in Urmston not Stretford and using George Carnall Leisure Centre not Stretford Leisure Centre. However as the plans mean that Gorse Hill would now include Pomona and Cornbrook I think that the Ward should be called Gorse Hill and Cornbrook instead of just Gorse Hill. The community at the proposed north end of the ward will grow a lot in the next few years and I think this should be recognised in the ward name with Cornbrook being their local tram station.
