The Broomwood ward needs to stay in its own right, I strongly disagree with the proposal that this should be split between Timperley and Hale wards! If this is done the help and support the Broomwood families and community receives will not be recognised because of the affluent areas it's being put into!! Please reconsider this proposal and continue to support the Broomwood as a singular ward! Your decision, if this is put in place, could be detrimental to families living in that area!
