Subject: Boundary changes in Trafford with reference to Priory Ward
Categories: Submissions, [REDACTED]

Dear Sir/Madam,

I wish to inform you that I am generally satisfied with the proposed boundary changes to Priory ward, the name of which it is proposed is to be changed to Sale Priory.

I am of the opinion that this change is totally unnecessary as the current name has been held in high regard by the electorate ever since the formation of the Borough of Trafford almost 50 years ago and there have been no issues with name of the ward.

I trust that you will take note of my preference.

Yours sincerely,
