This seems far better than the original draft and I am pleased to see that my address would fall within the new Ashton on Mersey boundary (being to the AOM side of Carrington Lane) although I am surprised that the alternate side of Carrington Lane will fall into Manor as it is more naturally affiliated with AOM but I guess they have to draw the boundary somewhere - in any case both AOM and Manor seem to be much more geographically appropriate to the addresses affected than previously and this should encourage engagement with local initiatives. In principal I am in agreement with the new boundaries as shown
