Hi

As an Urmston resident M41 Humphrey Park area resident I would expect my vote/voice would be heard in the ward of Urmston where I live, shop and support local eatery's and café's. I can walk into Urmston whereas Stretford I wouldn't. I would use the rail (despite the ongoing vandalism at Humphrey park station) as a means of transport rather than the metro as it too is too far a walk.

I'd be interested to know if you have had other likewise thoughts from Urmston residents.

Kind regards
