### Comment text:

I live in New Zealand area. I like the idea of renaming the ward to 'Mackworth and New Zealand' as I do not feel any connection to Mackworth estate, and the new name emphasises that although it is one ward it comprises two distinct areas. I still think that the area between Markeaton Street / Agard Street and Ashbourne Road / Friargate (where I used to live) has more in common with New Zealand - because it shares Ashbourne Road as the corridor to the city centre - than with Darley, from which it is separated by Markeaton Brook. I note that the variances to average electorate size do offer scope to move some or all of this area from Darley to Mackworth and New Zealand.
