Subject: Boundry City proposals

[REDACTED] [REDACTED]

I strongly object to the proposed boundry changes. This is obviously only in the interest of the Labour run council, or it would not have been proposed in the first place. Wilmorton, Crewton, or Osmaston are nothing to do with Alvaston, as I, and many more are quite satisfied with how it is now. Our counsellor does a good job, and keeps us in the loop on all things that matter to Alvaston, so let's keep it that way.
Yours sincerely,
