I live in the chaddesden ward now and if this change goes ahead my property will be in the breadsall hilltop ward. I cannot see how these changes will benefit my area. The three councillors who represent the current chaddesden ward do an amazing job of looking after the ward, of connecting with the residents and businesses, of being involved with local events and seeing that we have a safe and pleasant place to live.. please do not break this ward up. I like being part of this ward. I feel it is the centre of the community. I will feel alienated if put into another ward, does that sound silly? When you are happy and things work why change them? Please consider my opinion on this and keep the chaddesden ward as it is. Thank you
