Comment text:

Harvington village is 4 miles from Evesham and all the children go to Evesham senior schools and we use all the services in Evesham. It makes no logical sense for us to be covered from Droitwich over 18 miles away. A parish closer to droitwich should be Allocated to Droitwich. It is not all about numbers a more logical and practical approach needs to be made. Population levels are changing daily as more houses are built. Leave Harvington alone please.
