

## Wychavon District Council

### Personal Details:

**Name:**

**E-mail:**

**Postcode:**

**Organisation Name:** N/A

### Comment text:

In no uncertain terms should Wick become part of the Pershore boundaries, only to become like some sort of vassal state of insignificance. My greatest fear is that Wick would become part of Pershore's ever growing housing program, only to accommodate people from other regions of the UK. There is no infrastructure in place and our services are already stretched beyond coping.
