### Comment text:

We feel that the villages of Elmley Castle, Bricklehampton, Netherton & the Combertons should not be altered. The strong links between these villages is as prevalent in 2022 as it has been for centuries with many inter village activities and events. We feel strongly that the recommendations and reasoning presented by Little Comberton Parish Council for the revised draft stage are acted upon as they have summed up the feelings and desires of the residents on our existing ward. We request that you give great consideration to their alternative boundary suggestions because a great deal of thought and practicality has gone into this matter. We look forward to hearing that our existing ward boundary remains.
