This is to state that I am against the proposal that Wick is moved from Fladbury ward to Pershore ward for reasons listed:- 1) Wick has been part of Fladbury for several years with no problem. 2)Wick is a rural village with working farms. 3)Pershore is a town, Wick is a village, many issues can be different and we would be 'lumped' in with a bigger ward, issues may take longer to be addressed. 4)The population of Wick is considerably less than Pershore approximately 365 to 7,255 respectively and therefore, we are more likely to be just another ' cog in the wheel' and therefore, we may be poorly represented in important issues to us as a rural village. 5) I don't feel we need to change, everything works well as we are, we are a lovely, individual village with many people involved with community groups and just want to remain as we are. 6) There are three of us in this household, we all feel the same and have therefore ALL filled out 'Have your say' and so they are all the same. We hope this represents how we feel. We don't want to be part of a bigger ward, our issues as a village are individual and personal and should be represented accordingly. Thank you
