Comment text:

While you are at it, you may as well accept recent nuances, and add the Parishes of Ightham and Plaxtol to SEVENOAKS District Council, because transport links to SEVENOAKS are far better for these parishes than to Tonbridge. If it fitted, the same could be said for the Village of Borough Green. This would mean a reduction of about 1 councillor for T&M, or maybe two, depending on the latest population counts for the individual parishes.
