I have lived at [REDACTED] for 30 years and apart from a weekly supermarket shop have no allegiance with Bacup. All the friends I have made are in Whitworth, I've known the local shopkeepers since they opened, I've been a member of the food forum, been to council meetings and fought against the wind farm, I go to yoga at the library and want to remain a part of Whitworth. As geographically there seems to be a natural break at Shawforth I believe it's in the best interests of that section of the valley to stay together as one ward. [REDACTED]
