There is no doubt that we are in Fairfield. This is our postal address. I don't know how we were ever classed as Grangeville. Our children attended St. Patrick's school and our local church is St. Patrick's. Of course I consider myself as living in Fairfield and must support plan B. I must, however say that Carole Clarke is an exceptional councillor and has done a great deal for the Grangeville ward. I have always found her to be extremely approachable. [REDACTED]
