

**Stockton-on-Tees Borough Council****Personal Details:****Comment text:**

I am strongly opposed to Whitton road being incorporated into the Grangefield ward. This area should remain in Fairfield for various reasons. We moved to Fairfield for school catchment reasons, mainly the desire for our daughters to attend Ian Ramsey school which they did. Moving Whitton road into Grangefield may remove the choice of Ian Ramsey being an allowed choice of school for children of families wishing to move to the area and no disrespect to Grangefield but also may devalue houses by moving them out of the Fairfield ward. A pointless and no doubt expensive exercise which will go against all Fairfield residents wishes who will be affected by such a move. I moved to Fairfield, I live in Fairfield and wish to remain a Fairfield resident. Put your efforts and our money into some much more worthy cause which no doubt there are plenty of. You will do yourselves no favours by pursuing this nonsense.
