

Stockton-on-Tees Borough Council

Personal Details:

I wish to support PLAN B remaining in Fairfield, as a more balanced, fairer democratic area. I have lived in Fairfield () for over 40 years and have the original deeds to my property stating it is in Fairfield. I use the local shops on Upsall Grove and Rimswell along with the bus services from the Fairfield Public House. I went to Fairfield secondary modern school (now Ian Ramsey). I feel we would lose our identity and that a better boundary if it needed to change should run along the line of the old railway line. PLAN B PLEASE
