

## Stockton-on-Tees Borough Council

Hi, I would like to say as a veteran that has been left 36years untreated and has no support from my local Council. I have just spent 6 years being tortured by youths and adults. Because my PTSD, stops their antisocial behavior So they have spent 6 years triggering my PTSD 24/7 and when I asked for support from local enforcement and said they was a gang 50 to 60 yrs olds plus kids. Personally, I would call that domestic terrorism and so i approached SBC for four years sent in a timeline of events and i was to there was no sound recording device, then they choose to block me for the last two years I have tried local police, MP they have all turned there back on me and defending this gang. They even raided my home 2 times no and all I have done is ask for help.. It's bloody disgusting they all corrupt in the north east. I know this because we should not have to come home from war and fight our local council and the rest. I have all my freedom of information but want to hold them but if you need more i will send.
