

**Stockton-on-Tees Borough Council****Personal Details:****Comment text:**

I am strongly against this proposal to 'slice' away just a part of the Fairfield area and move it to Grangefield. We moved to this area of Stockton for better School Catchment and paid the higher house prices that Fairfield has appose to surrounding areas. It is disgraceful that a few streets are being 'cut away' from Fairfield.I want to cast my vote and say I strongly vote for Plan B and consider myself to live in Fairfield NOT Grangefield.
