

Stockton-on-Tees Borough Council

Personal Details:

Hi I'd like to support plan B and that is for Fairfield to remain as Fairfield and not become part of Grangefield. We moved to the area in July from Leicestershire and from the moment we got here, we've immersed ourselves in Fairfield life - we use the buses, the shops, and feel part of the community here. Grangefield feels to us like it's on the other side of the main road and a whole world away. Stockton is big enough to keep the parish boundaries with Fairfield and Grangefield separately and if it's not broken, it shouldn't be badly fixed.
