Good evening I write to express my strongest objection to the boundary changes being suggested for Thornaby on Tees. I question the actual knowledge and insight by the people suggesting these changes and the resulting negative affect it will have on the Town and it's future. My biggest concern is how such decisions can be made with so little fruitful consultation. Remarkably the views of Thornaby Town Council who unlike yourselves have been democratically elected to represent the town have obviously fallen on deaf ears. Who actually gives this none elected department the right to recategorise significant areas of Thornaby at Thornaby Road/ Low Lane into a made up area of "Ingleby Barwick South". Geographically not correct and a complete insult to the town and its long history.

I pray this objection and many more will be listened too and bring further insightful debate and decisions.
