

Maidstone Borough Council

Personal Details:

Name:

E-mail:

Postcode:

Organisation Name:

Comment text:

I am writing in support of Patrik Garten's submission that the North Downs Ward of Maidstone Borough Council should not be combined with others into a three-member super-ward. In addition to the valid points that Patrik makes, I feel that there are great advantages in being represented by a single Councillor: we know exactly whom we should write to on any issue and he knows that he is fully responsible for our area.
