The wards of ingleby Berwick north,ingleby Berwick south ,village,,mandale&victoria and stainsby are part of the old boundary's of Thornaby - on - Tees .We are part of the borough of Stockton - on- Tees.Splitting the towns wards into different towns and constituencies defies logic..They should all be part of 1 Constituency instead of separating them by roads ,ie.one side of road in 1 constituency and 1 side in another.The above wards are part of the township of Thornaby - on Tees and should be in 1 constituency.The township is separated from Stockton & Middlesbrough by the natural boundary's of rivers.
