Hi

I would like to state my objection to the proposed new boundary for the grangefield ward to be changed to Newtown.

As a resident of Grange Avenue I consider myself a member of Grangefield ward, not Newtown a completely different area of town separated by lustrum beck.

The history of Grangefield such as the school, sports facilities etc make the area a lovely place to live and I'm proud to say I live in grangefield not Newtown.

I feel this is needless change that will result in many disgruntled residents, myself included.
